

Dear Registered Voter:

With the passage of Proposal 3 this past November, all Michigan voters are now eligible to receive an absentee ballot by mail without needing to provide a reason.

If you would like to receive a ballot by mail for each election, you may add your name to our list of Permanent Absentee voters. If you choose to join this list, you will receive an absentee ballot application in the mail approximately 45 days prior to each election.

You may join the Permanent Absentee List by simply contacting our office by phone, email, or mail. There is no application, and voters who wish to join do not need to provide a reason for requesting an absentee ballot.

Voters on the Permanent Absentee List do not have to vote by mail. If you would prefer to vote in person for a particular election, do not complete the absentee ballot application. Instead, simply vote in person at your precinct between the hours of 7 am and 8 pm on Election Day. Voting in person will not remove your name from the Permanent List; however, you may remove your name at any time by contacting our office.

If you would like to receive an absentee ballot application at an address other than the one at which you are registered to vote, please complete the bottom portion of this form and return it to our office.

Please do not hesitate to contact our office if you have any questions.
